

# **MERRIGNEE MERINO STUD**

**18<sup>th</sup> ANNUAL UNHOUSED RAM SALE**

**August/September 2007 drop**

**Thursday 25th September 2008, at 1pm**

**5% Rebate to the Agent, Classer or Advisor Registered by Buyer**

**Fleece Tests taken 14/8/08**

**Shorn 11/4/07**

**Bodyweights to be done 22nd Sept**

**Average Micron of the 90 Sale Rams is 17.22**

**P.S. Please remember that these rams have only been shorn once, that is in April, therefore their fleece weights and body weights are done on these rams as a guide only, as the age of these rams could vary by up to 6 to 8 weeks, from the earliest AI lambs born to the last paddock joined lambs born.**
